Koramangala, Bengaluru – 34.

Cir. 36/ Prin./ March 2018

23rd March 2018

*Dear Parents / Guardians / Staff & Students,
We thank the Almighty as we come to the close of an eventful academic year 2017-18.*

Though summer is the hottest season of the year, it is a very interesting and entertaining season, especially for the children, as they have their vacations. Children during their summer holidays get long hours to sleep, which leads to many creative dreams.

A child's dream may suggest a new aspect , a beginning to try and succeed; an aspect that needs to mature and grow up; or aspiration that needs to be accomplished. Children in a dream may represent innocence or a naïve aspect of oneself.

I Wish the children a safe, enjoyable holiday that will make them feel good and special. As you enjoy your holidays, make use of your valuable time meaningfully by doing creative things such as making the 'best out of waste', reading books, developing good hobbies, skills and do come back rejuvenated .
