REPORT

SOLO SINGING COMPETITION

“Singing is best. It gives right joy to speech.”

On the 27th of June 2019 our school conducted a Solo Singing Competition for our students of class I and II. We aimed to identify gifted students. Students were motivated to come forward and sing different genres like classical, devotional, patriotic, inspirational etc.,. Conducting this competition not only helped in developing their singing talent but also helped in building up their self- confidence and self-esteem. The students put forth an enthralling performance which in turn made the event to be a vivid one.

The competition was judged by our dear teachers:-

Ms. Lubna and Ms. Reema Rozario for Std I

Ms. Maria George and Ms. Kalpana for Std II.

Heartfelt thanks to the Almighty God and to all those who supported this event in making it successful.
